Distinguished Gentlemen and Madam:

We, the people of this great country, are respectfully requesting from the pertinent authorities, a humanitarian pardon for the Cuban American inmate Eduardo Arocena # 12573-004, F.M.C. Rochester, MN, scheduled by the Board of Parole, to be released in the year 2050. (U.S. Residency #: A 14 810 763)

Mr. Arocena is suffering of diabetes mellitus and high blood pressure. He suffered a cerebro vascular accident (CVA) ending in a right hemiparesis in 2011 (partial paralysis of upper and lower extremities) with dysfunctional body systems, altered gait, etc. (Mr. Arocena is right hand dominant). Mr. Arocena could be affected by a recurrent CVA with a possible fatal outcome. He is 72 years old.

Mr Arocena has served 31 years in prison, has had no opportunity to help his wife or raising his son and daughter. The family has been blessed with grandchildren whom he has not seen since they were babies, now teenagers. Mrs Miriam Arocena is a U.S. citizen by naturalization, his children and grandchildren by birth.

Mr. Arocena has paid the American legal system for his poor judgement in how to fight against the enemies of the United States. He was not a spy, nor a foreigner conspirator or operative of a foreign enemy country, and has never had his hands or conscience tinted with American citizens blood. On August 16, 1968, Mr. Arocena volunteered to go to Vietnam in Newark, New Jersey.
