Dear Manuel:

Good luck to you and the Team as you prepare your first visit to Guantanamo. As always, your work and patriotism are exceptional.

Also, thanks for keeping me informed about your efforts on behalf of the Cuban national who lost his leg because of a land mine. I have also been in contact with Dennis Hays regarding his case. Although his is a tragic case, with help from the Miami Medical Team Foundation and Handicapped of America, he is in very good hands.

Please contact me if I can be of any help and keep me informed as to all aspects of your important mission.

Cordially,

  
Lincoln Diaz-Balart
