Dear Manuel:

Congratulations on being selected as a recipient of the "Gueguense de Bronce 1991". Like me, you must feel very proud to have received this honor and recognition by "La Estrella de Nicaragua Newspaper" and "The Miami-Managua Lions Club".

The Gueguense represents, in Nicaraguan folklore, the working spirit of their citizenry. The industrious character of Nicaraguans, can be seen everyday throughout our entire community. Your effort and dedication on their behalf, serves as a sterling example in which we can all take pride.

Thank you for your unfaltering commitment to improving the quality of life for all Floridians.

Sincerely,

United States Senator
